Brackeen-Wood Phy-Ed Building Dedicated

The new physical education facility at ECJC called the Brackeen-Wood Physical Education Building, was formally dedicated during ceremonies held inside the building recently.

General Denver Brackeen serves as Assistant Adjutant General in the Mississippi National Guard and Miss Lucille Wood is still a member of the ECJC teaching staff.

Besides remarks made by ECJC President Dr. Eddie M. Smith, other tributes were offered by Henry B. "Bubba" Hudspeth of Louisville, ECJC Board of Trustees Chairman; Dr. Brad Tucker, Dean of Instruction; former ECJC President Arno

team captain for the 1975 squad, and Miss Shelia Welch, named the 1982 permanent team captain. Besides being outstanding athletes, each was also inducted into the ECJC Hall of Fame.

Mrs. Hayes said Miss Wood set high but fair standards for her players and student to achieve.

"She encouraged us to participate in other activities besides sports ... to experience the game of life, not just the game of athletics," Mrs. Hayes said.

Miss Welch said Wood instilled in her players that winning alone is not enough, but that "we should help others and contribute to

championships in 1976, 1979 and 1980, and she took teams to Regions Tournament in 1973, 1977, 1978, 1980, and 1985.

Her tennis teams won state titles in 1965 (men's doubles); 1965 (men's singles); 1968 (men's singles); and 1968 (women's singles).

Miss Wood was named National Junior College "coach of the Year" top twenty and Mississippi Association of Coaches "Coach of the Year" in 1979.

She was recently named to the Mississippi Junior College Athletic Association Executive Committee, which regulates athletics in the state's junior colleges. Miss Wood also serves as Regional director for the National Junior College Athletic Association.

Miss Wood said her success was due not only from the support she received from the administration but because she was surrounded by outstanding students.

She said, "We all must look to the future ... that goals of education can be achieved."

Miss Wood said all the days at east Central are "happy" days, thanks mainly to the students, in whose help "setbacks quickly turn to victories."

Following the dedication ceremony, a reception was held in honor of General Brackeen and Miss Wood.

Vincent of Meridian; and former ECJC student-athletes Mrs. Lynn Russell Hayes and Miss Sheila Welch.

Other program participants included the Rev. Barry Dickerson, pastor, Decatur United Methodist Church, who gave the invocation and the Rev. Kent H. Cochran, pastor, Louisville Calvary Baptist Church, who gave the benediction.

Music was provided by the ECJC Brass Ensemble, directed by Tom Carson.

Brackeen, who became East Central's first All American basketball player following the 1952-53 season, described the occasion as "the greatest thing to ever happen to me."

Brackeen led the Warriors that season to district and state championships and a fourth place finish in National Junior College Tournament.

While participating in the national tourney, Brackeen scored a record 53 points in one game. He was later selected as the nation's most valuable player.

During his final season at East Central, Brackeen averaged 32 points per contest.

In response, Miss Wood gave credit to many people but especially thanked Mr. Vincent who, as ECJC President, helped "to open the eyes" of a rural Winston County girls.

Before she began her successful coaching career at East Central, Miss Wood was recongized as an outstanding athlete herself, as she ws named "Female Athlete of the Year" at Louisville High School.

Miss Wood's impressive coaching stint at East Central began in 1956 following three seasons at Copiah-Lincoln Junior College.

She coached women's basketball from 1956 to 1985; men's and women's tennis, 1956 to 1976; volleyball, 1966 to 1971; and served as Director of Women's Intramurals from 1956 to 1976.

In 1968, the first basketball tournament for college women since 1954 was held at East Central and Miss Wood's Warriorettes defeated MSCW for the championship title.

The East Central women won state titles in 1970, 1973, 1976, and 1979. Miss Wood's squads division

His coach at ECJC Arno Vincent, said Brackeen is a member of "everybody's Hall of Fame."

Dr. Tucker said it was 41 years ago when, as a student, he watched Denver Brackeen play for Hickory High School and described the young athlete as "the best I have ever seen."

Dr. Tucker called attention to the fact that Brackeen was not only chosen an All American, but was also selected as the most valuable player in the United States.

Not only was Brackeen a "great athlete," the ECJC Dean of Instruction also praised his accomplishments as a coach, as he won two-thirds of the games in which he led the men's basketball program.

Nicknamed the "ECJC Soldier," Tucker noted Brackeen's rise from a buck private to a general came while he was associated with East Central Junior College.

"We've had many students to earn the rank of general, but none has accomplished that feat while being associated with the college the entire time," Tucker said.

Dr. Tucker also praised Brackeen as an "outstanding" Dean of Students, a post he held for almost 22 years.

In introducing Miss Wood, Dr. Tucker referred to her and General Brackeen as the "All-Around Mr. and Miss ECJC," if "such a designation could be made."

Dr. Tucker added it was "indeed fitting" for two students to make comments about Miss Wood, as she always strived to bring out the best in her players and students.

Selected to make comments about Miss Wood were Mrs. Lynn Russell Hayes, chosen permanent
